

Job Opportunity - Bank Health Care Assistants

- Do you want to make a difference to carers' lives and feel a sense of purpose in an extremely rewarding role based at our Respite centre.
- Do you enjoy leading group activities, and being part of a team?
- Are you a good communicator?
- Do you have a caring, warm and understanding nature?

Homelink are now recruiting Bank HCAs to work at our purpose-built dementia friendly centre in Whitton to cover annual leave and sick leave. This role can sometimes lead to a more permanent position within the team.

If you are interested in flexible working that suits you and feel you have the attributes required, then please do get in touch.

You will need:

- Experience of working with older people, ideally those with dementia, complex health care needs and neurological conditions
- Good communication skills and an ability to demonstrate initiative
- A high level of professional integrity and honesty
- Good punctuality
- Ability to update and document client records accurately

Benefits:

- Flexible working on a zero-hour contract
- Good hourly rates of pay
- Training and development opportunities

Please note: This position is subject to an Enhanced Disclosure and Barring Service (DBS) check and is subject to two satisfactory references

COVID-19 considerations: All Personal Protective Equipment and training will be provided.

Please contact Sue Ireland for a copy of the job description, a job application form and/or more details about the role on 0208 755 5773 or email -Sue.ireland@homelinkdaycare.co.uk

Closing date: on-going
